R. T. Haines Esq.

Dear Sir,

The reason
of this is the Rev. S. H. North
Pres of Pacific University in
Oregon. He has for several
months been engaged
in an attempt to secure
$20,000 for that institution.
While the greater part
of it is already secured
it is also true that the
line is near by where
he must leave for
Oregon. He must secure
$20,000 however or all
his labor will fail.
I think you will
be interested in his
statement & I should
be grateful if with
all the other calls to
which you should help a
little in the completion of
the effort - it is
indeed a noble one
I have been brought along
this far by the mora-
 perseverance of
Mr. Ralph-

Very Respectfully
To truly yours,
Theodore Baldwin

Dear Sir

The bearer of this is the Rev. S.H. Marsh Pres of Pacific University in Oregon—He has for several months been engaged in an attempt to secure $20,000 for that Institution & while the greater part of it is already secured it is also true that the time is nearby when he must leave for Oregon. He must secure $20000 however or all his labor will fail. I think you will be interested in his statement & should be grateful if with all the other calls to which you respond you could help a little in the completion of this effort—It is indeed a noble one & has been brought along thus for by the [illegible text] perseverance of Pres Marsh—
