A. Y. April 3d 1860

Dear Sir,

The enclosed letter came to hand this morning. Mr. Edgell in a letter received yesterday says, "I have directed Rev. L. F. Clark of Martinsville who wished to know where Rev. North was to direct to your care. His people are able to do grand things for Colleges. One of them your kindness recently left us $500. They may have a surplus left from Dean Fletcher's Estate to apply to Colleges if solicited. The $500 above alluded to has been paid. Should be glad to know how you get on."

Sincerely yours,

T. Baldwin
