Suppose for this up I put things would like to have me and sent Mary to them I would make it half price but it would cost me $4 for a year which I can't afford now.

I feel very anxious about Mary's faculty of thought, I fear she will change things from those coarse vulgar girls that I would rather she would learn from a study of physiology by study. Walter Collins is an illustration of a girl who knows more than she ought to, but let Mary be as intimate with these girls. I am afraid of a bitter with younger than alive. Nor is a critical age with him. Bulgan Influence will tend away his mind.
