N. Y. Dec 14<sup>th</sup> 1859

Dear Sir

We did not get a quorum of our Com together yesterday & they adjourned to meet on Friday the 16<sup>th</sup> inst at a quarter before 2 O'clock P. M. at my Office.

I hope you will make your arrangements to attend without fail - as the committee will have some matters to settle which concern all the Institutions West of the Mississippi, alike - This is the more important as you was prevented from attending the Annual Meeting of the Board

Indeed under the  
existing relations of the  
Directors of the Society  
& the Trustees of Pacific  
it is absolutely essential

Moreover I have  
no doubt it will  
be beneficial to  
Pacific University

If you could  
come a little time  
before the meeting  
of the Committee I  
should be glad - but  
will not press that  
point as I have no  
doubt your time is  
very much occupied

Yours de

Theron Baldwin
